

WEDDINGS

a day like no other

your Ceremony

We are licensed to hold Civil Ceremonies in a variety of different spaces in and around the brewery including: The Steep, The Malthouse, The Boardroom and the Steam Engine Room. Each room features a whole host of original features including exposed beams, red brick walls, grey iron pillars and glass stained windows as well as our original Brewery Steam Engine that used to power the entire brewery years ago.

Established in 1849, we have been brewing beer everyday since from our 5-storey Victorian Tower Brewery that offers you a stunning backdrop. Our dedicated wedding team will guide you through everything to ensure that your wedding is planned to perfection.

It is also believed to be the last steam engine in the country that can still be used for its original purpose.

To keep your hungry guests happy throughout the evening, we can provide a variety of food options including:

- BBQ

- Fish & Chips in a traditional van
- Or whatever your imagination desires!

We've got a fantastic range of wine, Champagne and Prosecco to help your wedding day flow along. We've sourced the finest examples from around the world including organic and vegan. Below are just a few we would recommend.

Our full wine list available upon request.

Bouche Pere Et Fils Cuvee Reserve Brut

A ripe, biscuity Champagne with a long, elegant finish. A blend of 50% Chardonnay, 30% Pinot Noir and 20% Pinot Meunier gives backbone and complexity.

Excellent partner for light dishes based on white fish or chicken, green vegetables, salads and savoury cheese dishes.

Castillo de Mureva Organic Tempranillo

Deep cherry red in colour with aromas of strawberries and fruits of the forest, this is a smooth and well-balanced red wine. A heady mix of cherry fruit and spice – great with steak, lamb or roasted vegetables.

Castillo Organic Vedejo

This fresh and crisp wine has flowery and fruity aromas. On the palate, it has a rich smooth body with balanced acidity and hints of fennel, herbs, citrus fruits, melon and peach. Zesty and aromatic with a soft, ripe fruit an ideal partner for flavoursome seafood dishes.

Granfort Cinsault Rosé

This delicious, pale-coloured rosé is made using Cinsault grapes which are harvested in the cool of the early morning and only allowed a short maceration on the skins after crushing to extract just the right amount of colour. Like many wines in our list, this wine is suitable for vegan diets. Deliciously versatile rosé, ideal with salads, seafood, grilled chicken or pasta.

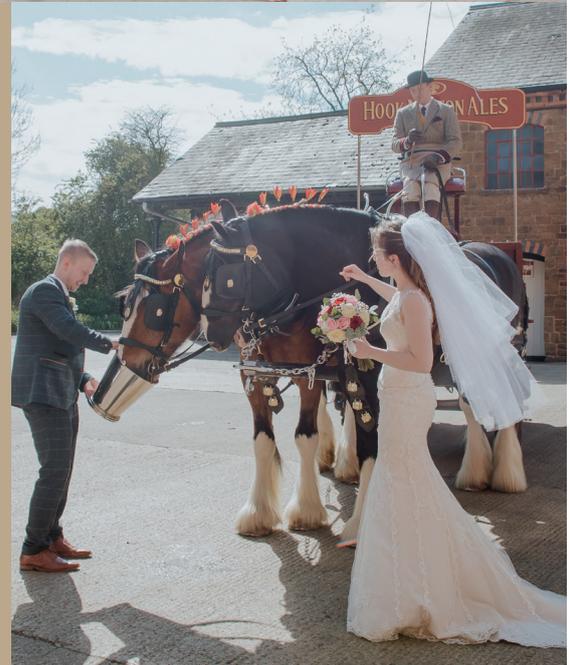

Shire Horses

Your Carriage Awaits

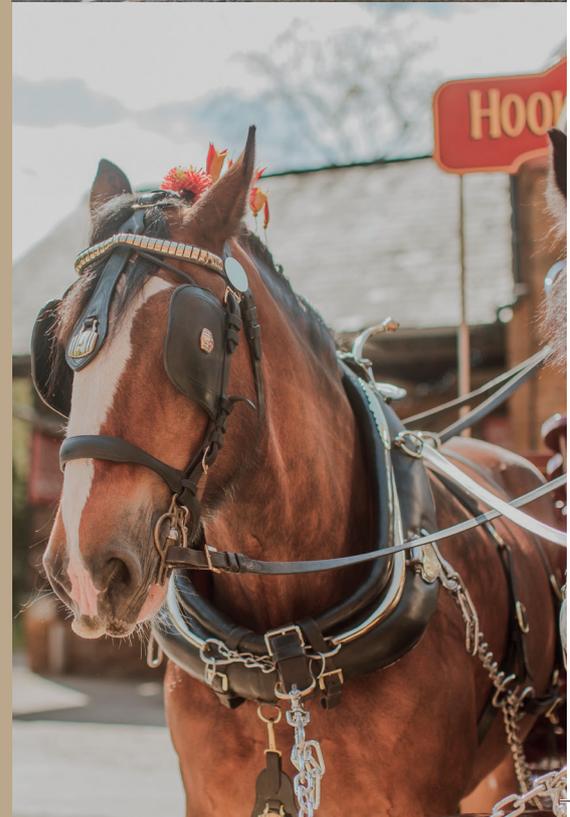

From delivering beer, to delivering dreams, our working shire horses rise to the occasion and are on hand to provide an authentically traditional arrival on your big day. With dazzling white legs and glistening horse brasses our pair of horses will deliver you to your wedding in style, await your ceremony, before being on hand to provide a unique photo opportunity.

Invite our horses to join you in a celebratory toast by pouring them their favourite pint of Hooky, a messy but memorable part of your special day and a perfect photo opportunity.
