WEDDINGS

*a day like no other.*

## YOUR CEREMONY

Celebrate your special day in the truly unique setting of Hook Norton Brewery. Established in 1849, we have been brewing beer everyday since from our 5-storey Victorian Tower Brewery that offers you a stunning backdrop. Our dedicated wedding team will guide you through everything to ensure that your wedding is planned to perfection.

Located in the picturesque Oxfordshire village of Hook Norton, and hidden away down Brewery Lane, we are ready and waiting to be part of your special day.

*"My Husband and I had our wedding ceremony and reception at Hook Norton Brewery in October 2021. From the initial planning stages to the wedding day itself we were blown away with the organisation and the level of detail the team went to in order to make our day extra special."*

We are licensed to hold Civil Ceremonies in a variety of different spaces in and around the brewery including: The Steep, The Malthouse, The Boardroom and the Steam Engine Room.

Each room features a whole host of original features including exposed beams, red brick walls, grey iron pillars and glass-stained windows which all contribute to producing a rustic atmosphere for the big day.

## THE MALTHOUSE

Located in the original maltings building, our 1864 Malthouse has beautiful, exposed beams, wooden floors, arched windows and red brick walls. We offer a wide range of room set up choices and furniture styles as well as a variety of quality catering options. This room also comes with a fully stocked bar, serving over 10 different draught ales all brewed in house as well as soft drinks, spirits, and specially selected wines to keep you and your guests refreshed throughout the day.

This remarkable piece of machinery used to be the main power source for the brewery and is still in full working order today. It is also believed to be the last steam engine in the country that can still be used for its original purpose.

*"Hook Norton Brewery was the perfect venue for our wedding reception. From the initial planning to the big day itself, the team did a fantastic job looking after us and our guests.
